COLLEGE REPORT March 1977 / Volume 30, Number 3

GIFTS AND CONTRIBUTIONS — 1976

PRESIDENT'S CORNER

We are most grateful to all who contributed to Lycoming during 1976. As the summaries published in this report indicate, the increase in the number of donors—both alumni and non-alumni—is significant. The Lycoming College Fund exceeded its goal and set a new record for undesignated gifts.

In many respects, 1976 was a very good year for the College. Our enrollment increased after several years of decline, and gifts and grants improved substantially.

The story on 1977 is not yet in. We know already that our energy costs—like yours—have skyrocketed beyond our budget estimates and spring is not yet here. We know that recruiting remains highly competitive and that we must all work harder to convince prospective students of the opportunities Lycoming offers. But most important, we continue to sense the energy of your good will, your faith in Lycoming College and your financial support. We thank you again and trust your loyal response will inspire many others to participate in 1977.

Frederick E. Blumer
President of the College

Explanatory Note

The Summary of Gifts to the right of this column accounts for all gifts and grants received from all sources during the 1976 calendar year. The total of \$810,407 represents an 11% increase over last year's \$730,820.

The Lycoming College Fund, the annual fund for undesignated gifts is summarized on page 5. The goal for 1976 was \$76,000. Total receipts were \$85,275, exceeding our goal by 12% and last year's total (\$58,414.33) by 46%.

The Lycoming College Progress Fund, the fund resulting from the 1968 capital campaign, is designated for buildings and equipment. Approximately \$1.5 million was paid or pledged and at this date about \$122,000 remains unpaid. The summary, also on page 4, lists donors who either made payments on their pledges or made additional contributions designated for capital purposes.

The increase in donors this year was especially gratifying. Alumni participation increased from 997 in 1975 to 1492, or 49.6%. Total donors increased from 1171 in 1975 to 1,711, or 46%.

The "Molver Recital Fund" was established in April, 1976, in honor of Walter G. Molver, Professor Emeritus of Music. To date \$4,735 has been received toward the \$5,000 goal set less than a year ago. Gifts to this fund are still gratefully received.

New Podiatric Medicine Program Announced

Lycoming College and the Pennsylvania College of Podiatric Medicine have adopted a cooperative accelerated undergraduate-professional training program for students interested in a career as a doctor of podiatric medicine.

The goal of the new accelerated program is directed toward alleviating a shortage of podiatrists in West-Central and Northeast Pennsylvania encompassing approximately 20 counties in the commonwealth. Applicants for the program, which reduces the time required to complete all requirements by one year, should be residents of either the shortage area or adjacent counties. They are also expected to return to one of the counties for externship training and a possible residence and practice after completing their training.

Counties where shortages are particularly severe in the state include Adams, Armstrong, Cambria, Centre, Clarion, Clearfield, Cumberland, Elk, Fayette, Greene, Huntingdon, Indiana, Jefferson, Juniata, Perry, Potter, Somerset, Susquehanna, Westmoreland and Wyoming.

LATE BULLETIN . . .

LYCOMING MATMEN WIN MAC CROWN

Lycoming College, with four of its wrestlers gaining individual titles, outdistanced host school Elizabethtown College 92½ to 63½ to win its first Middle Atlantic Conference wrestling title since 1962.

The Warriors, who ranked sixth in the country in the latest small college wrestling poll, got individual championships from Harry Shaw, at 142; Craig Savitsky, at 150; Randy Parsons, at 190, and Dick Driver, at heavyweight.

Shaw, 14-2-1 for the season, won his title with an 8-3 decision over Al Skutches of Moravian. Savitsky, now carrying a 14-3 log, followed with a title-winning 11-4 decision over Andy D'Amico, of Swarthmore.

A bid for three consecutive individual titles by the Warriors was thwarted when defending MAC champion Steve Borja was bested 3-1 in overtime by Bill Rawding of Gettysburg at 158.

It was the Lycos' second runnerup finish, as Ron Granato lost a 13-4 decision to Gettysburg's Craig Helmer at 126.

PODIATRIC MEDICINE

Students enrolling in the program will complete 24 units of credit in three years at Lycoming, including all distribution requirements, consisting primarily of biology, chemistry, physics and mathematics. They will enter PCPM for the first year of professional training which includes 48 semester hours of basic science courses in addition to an introduction of podiatry.

Successful completion of the initial year of professional training will contribute toward the fulfillment of the course requirements for the bachelor of Arts degree to be awarded by Lycoming College. Students will receive a degree in podiatric medicine upon completion of 3 additional years at PCPM.

Dr. Robert A. Zaecaria, assistant professor of biology at Lycoming who is coordinating the program, said, "We are fortunate to have this opportunity to establish a cooperative program with a school training individuals for practice in one of the health professions and to help in some way to alleviate a shortage of podiatrists now existing in certain areas of Pennsylvania."

LYCOMING
COLLEGE REPORT

LYCOMING is published monthly (except July and August) by Lycoming College. Second Class postage paid at Williamsport, Pennsylvania 17701.

Winter Sports End

BRUCE L. SWANGER

Both the Warrior basketball and wrestling teams closed out their regular 1976-77 season on a victorious note while the swimmers were submerged for the ninth time in ten meets in their final outing.

Although Coach Dutch Burch's basketball team failed in its bid for a playoff spot in the Middle Atlantic Conference, the Warriors ended the season by winning the final two games on the schedule over MAC opponent Upsala, 71-68, and Baptist Bible, 77-60. Lyeom's final bid for a spot in the playoffs failed when the Warriors were edged, 75-73, by Elizabethtown followed on the last night of the season with a victory over the Vikings. A win by the Warriors against Elizabethtown would have given them a 5-5 mark and Upsala, who qualified for the playoffs with a similar 5-5 mark, would have been eliminated. Instead, Lyeom finished with a 4-6 conference record and 8-11 overall.

Two seniors, Jeff Billman, a 6-6 forward from Tamaqua, and Jack Connell, a 5-7 guard from Titusville, played their final intercollegiate game for the Warriors in the Baptist Bible contest. Billman was a starter for three years, while Connell saw mostly reserve action during his three-year varsity career.

Coach Budd Whitehill's wrestlers completed what was probably the toughest schedule in Warrior mat history with a fine 13-7 record capped by a resounding 45-0 shutout over Western Maryland in the final match of the year. The grapplers were ranked fifth in the nation among Division III schools at the conclusion of the season, and they were favored to capture the Middle Atlantic Conference championship in the annual tournament at Elizabethtown.

All seven of the losses were to Division I teams, with four of the defeats by two points or less. The Warriors were 10-0 against Division III teams, with the other three wins coming over Division I Princeton, Rider, and Franklin and Marshall. Whitehill will lose four seniors by graduation. They include Walter Lawson, of Alexandria, Va., Craig Savitsky, of Old Bridge, N.J., Steve Borja, of Woodlyn, Pa., and Randy Parsons, of Camp Hill.

The swimmers of Coach Susan Hetrick were defeated by Western Maryland, 56-34, in their final match of the year to close out the season with a 0-9-1 record. The poor record reflects the lack of swimmers on the Warriors squad. The mermen probably lost several meets when they were forced to forfeit events due to lack of participants. Only

one senior, Lynn Martin, of Cherry Hill, N.J., will be lost by graduation.

FOUR CO-CAPTAINS ELECTED TO LEAD 1977 FOOTBALL TEAM

Co-captains for each of the offensive and defensive units have been elected by their teammates to lead the 1977 football squad.

Four veterans, split end Jim Jeffries and tackle Fran Miller, from the offense, and middle guard Mike Prowant and linebacker Jim Tkach, from the defense, all starters since their freshman years, will captain the Warriors in their quest for another successful season. Prowant, Tkach and Jeffries will be seniors next fall and Miller will be a junior.

Jeffries, of Willingboro, N.J., has been the team reception leader for the last two years and in the 1976 season caught five touchdown passes to tie a school single season record. He was named to the All-MAC team in 1976.

Miller, of North Wildwood, N.J., has played both tackle and guard, and has been a spark-plug on the offensive line for two seasons. He was also named to the All-MAC team last year. He is a graduate of Archbishop Ryan High School, Philadelphia.

Tkach, a product of Lehigh High School, made 44 solo tackles and assisted in 36 others in 1976. He also recovered two fumbles and intercepted one pass during the recent campaign.

Prowant, a graduate of South Williamsport High School, was named Little All-America honorable mention last season and has been All-MAC since his freshman year. He had 56 solo tackles, 9 sacks, 3 fumble recoveries, 2 interceptions, and blocked 2 punts in 1976.

Lyeom, coming off an 8-1 record, the best in school history, will open its 1977 season on September 10 at Dickinson College, Carlisle.

The director of public relations is occasionally surprised by the requests that come in the mail. This one came in December from a United Methodist minister in Junction City, Oregon.

"In order to complete my college football ratings for 1976, I am in need of the score of your game with Wilkes."

Who knows, some day Jimmy the Greek may need some scores.
